March is here and spring is in the air. For those of you lucky enough to have your bikes on the road and with some free time, you know there has been some good riding days, with the promise of more to come. The March schedule is light on events, but April is full starting with lots of rider education to get the season started right. Leslie and I are looking forward to joining you at many of the classes and rides.

I spent the last two days of February in very good company, living the GWRRA motto. For two days I spent time working, laughing and learning with Rich Sopel from BC-K, Don Hamilton from BC-D, and Donn Champion BC-A the result being the upgrade of the suspension systems on three motorcycles. To steal a line from MasterCard, this experience was "Priceless". John Schretlen joined us on Friday to lend a hand and lighten the load. Rich is a wealth of knowledge and kept the rest of us organized and provided tips when we appeared to be stuck. Don H not only shared his garage, tools and supplies, but kept us constantly entertained with bits of history about everything we touched. Donn C upgraded his gas siphoning skills as his gas tank was too full to remove easily. I will always remember these two days. Oh, and yes, the new suspension is... AWESOME! **Safe riding, John & Leslie**

JOKE OF THE MONTH

The husband had just finished reading a new book entitled, 'YOU CAN BE THE MAN OF YOUR HOUSE'

He stormed to his wife in the kitchen and announced, "From now on, you need to know that I am the man of this house and my word is Law. You will prepare me a gourmet meal tonight and when I'm finished eating my meal you will serve me a sumptuous dessert."

"After dinner, you are going to go upstairs with me and we will have the kind of sex that I want. Afterwards, you are going to draw me a bath so I can relax. You will wash my back and towel me dry and bring me my robe. Then, you will massage my feet and hands. Then tomorrow, guess who's going to dress me and comb my hair?"

The wife replied, "The Funeral Director would be my first guess."....

Mature Life Submitted by Shirley Williams

Today at the drugstore, the clerk was a gent.
From my purchase this chap took off ten percent.
I asked for the cause of a lesser amount;
And he answered, Because of the Seniors Discount.
I went to McDonald's for a burger and fries;
And there, once again, got quite a surprise.
The clerk poured some coffee which he handed to me.
He said, For you, Seniors, the coffee is free.

Understand---I'm not old---I'm merely mature;
But some things are changing, temporarily, I'm sure.
The newspaper print gets smaller each day,
And people speak softer---can't hear what they say.
My teeth are my own (I have the receipt.),
and my glasses identify people I meet.
Oh, I've slowed down a bit...not a lot, I am sure.
You see, I'm not old...I'm only mature.
The gold in my hair has been bleached by the sun.
You should see all the damage that chlorine has done.
My car is all paid for...not a nickel is owed.
Yet a kid yells, Old duffer...get off of the road!
My car has no scratches...not even a dent.
Still I get all that guff from a punk who's Hell bent.

My friends all get older...much faster than me.
They seem much more wrinkled, from what I can see.
I've got character lines, not wrinkles...for sure,
But don't call me old...just call me mature.

The steps in the houses they're building today
Are so high that they take your breath all away;
And the streets are much steeper than ten years ago.
That should explain why my walking is slow.

But I'm keeping up on what's hip and what's new,
And I think I can still dance a mean boogaloo.
I'm still in the running...in this I'm secure,
I'm not really old...I'm only mature
Youth is a gift of nature. Age is a work of art.

Come one come all to our annual campout at The Vedder River Campgrounds. We have loads of fun, the kids have a blast and we do what ever we want. We have our big ring camp fire which we sit around and tell jokes, eat hot dogs, eat Potato Salad, sing songs and just relax.

Starting in 2007 our June Breakfast Meeting will be held at The Vedder River Campsite during The Campout. Until about 4 years ago that was the tradition.

Come and join us for breakfast on the Sunday morning at 9:30 for a low price of \$5.00 each.

Keep the second weekend of June 2008 free to come on out and enjoy yourselves.

Camp fees are \$20.00 Cdn and U.S.

Pre-registration preferred. Contact Pat Pearce

Tuesday Night Rides

TIM HORTON'S ANNACIS ISLAND

Rides start about 6:30 – 7:00 pm

Hope to see you there.

A Question for all of us:

I had someone ask me, what sort of experiences some of us have encountered that would help the less weathered riders. You know, like glancing at the road where you will stop and put down your foot to ensure that it's fairly level and not a big dip. Nothing worse than putting down your foot and not finding the road or finding sand. If they new what to watch for, we might be able to help prevent some nasty things from happening to some riders. So I thought I would ask any of our members to e-mail some of their own answers to this question and I'll put them in The Golden Nuggets Newsletter.

Great performance never looked so good.
 Too bad the others will only get to admire it from behind.

The Honda Gold Wing is the ultimate touring motorcycle – the one by which all others are measured. With an in-dash navigation system, premium audio system, heated seat and hand grips, sleek styling and other features, it's in a class of its own. No matter what your destination, when you ride a Gold Wing, you've arrived.
