

# GOLD NUGGETS

Goldwing Road Riders Association

Region J, Chapter BC-A, Vancouver

May 2012

## *From the Chapter Directors...*

Hello all. I can hear the kick stands going up and the throttles revving,, sounds like riding weather doesn't it!! As the riding season gets into swing, I find myself looking forward to the summer and my hopes to get back to Alberta and see family again. As I too look forward, there is also a significant group of wings, trailers and couples looking forward to heading to Alaska Region J rally for the trip of a life time. I am truly jealous but one day our time will come too. The planning has been going on for some time and, as in the usual GW way, there are a number of people taking on different jobs to help make it happen. I am looking forward to photos and stories to come. PLEASE do share some photos with us by way of sending them to our web master Kyle and news letter editor Rob.

Just as the seasons come and go, friends, and family do as well. Many of you know Edward & Kathryn Drozdik from your years of riding and working together, and your friendships grew strong with both Kathy & Ed. I am sad to report that Ed Drozdik just recently passed from his fight with cancer. While talking to some of you, it is abundantly apparent that Ed was cherished and loved by many. On behalf of all us, our heartfelt condolences go out to Kathy and her family. I can only hope that the passage of time lets family and friends remember Ed, and bring a smile to your hearts because you knew him. I wish I could have been lucky enough to know Ed, so I will simply take in your stories, and remembrance of him with humility. Our chapter is blessed to have such a good following of riders and volunteers, and the chapter team is still growing, so with that thought, I am hoping to find an Assistant Chapter Director sometime in the future, so I will be open to all suggestions or takers.

I am going to miss you all at the May breakfast meeting as I will be down in Washington to practice my riding skills again, so I hope you guys don't have too much fun while I'm away, otherwise I'll be jealous again!

Remember "Life is a Highway I wanna Ride it All Night Long"

Ride well!  
Rob Ellis.

## British Columbia District GWRRA

Hello to all of our members in all the BC Chapters

First things first. I would like to introduce Pat and I as the new District Directors for our Province. Since John and Leslie Wait have moved into the Region Directors spot, we were asked to fill their spot in the District. This is going to be a really big slot to fill!

I want to thank John and Leslie for the incredible job they did during their term as Directors. From organizing one of the most successful Rallies we have had in recent times, to guiding us through some big challenges, they have been more than up to the task!

On a personal note I thank them for showing Patty and I a different style of leadership which we are taking with us into this new challenge for us.

Up to now Patty and I have been working in the district as the Membership Enhancement Co-coordinators. We put together a terrific team and we thank the Chapter members for doing such an incredible job. This position has allowed us to see the chapters and members as a family. Projects such as the Victoria Days or the Gold Run have shown us just what we can accomplish if we pull together. And we do this while having Fun!

That leads us to something both Patty and I feel very strongly about. We see that we as a group need to communicate better with not only the public at large but with each other! We intend to bring in a District newsletter which will be emailed to every member in the province. Even if it is just 1 page, we need to let everyone know what we are doing so everyone has an opportunity to participate and have FUN!!!

We also will be promoting the idea that our GWRRA membership has a lot of value. We need to make sure our members know what they are getting for their hard earned dough!

We are launching a program called "Membership has its Privileges".

In this program we want to make sure that at any GWRRA function a member gets a discount just because they are members! We will also be promoting the good deal we get for our annual dues!

We are looking forward to serving you the members!

Con and Pat Williams  
District Directors

## Ed Who?

As most of you are aware we lost one of our friends and fellow member Ed Drozdik on April the 18<sup>th</sup>. It is always sad to say goodbye to a friend, yet even sadder to realize that maybe you never really knew that person.

What most of us knew about Ed was that he was a cheerful fellow who regularly showed up at meetings and rides together with his lovely wife Kathy. Kathy, of course, most of you know as our longtime web mistress (she took over the job in January of 2005 when Pat and I were the CDs, and ran with it until her health became an issue in 2011). So, who was Ed Drozdik?

Ed was born in Drumheller, Alberta in 1940 to Slovak immigrant parents. At the age of eleven he moved to Calgary and continued his education there. In the 60's he moved to Tulsa, Oklahoma to get his degree in Business Administration in Economics where he learned computer programming skills. He then was hired by the federal government in Ottawa to put his new skills to work. It was there in 1968 that he married Kathy. In 1980 they moved back to Vancouver (Kathy's home town) where they raised three sons.

One of Ed's passions was motorcycling. According to Kathy he started on a Honda 350, moved up to a 650 Yamaha, to a 900 Kawasaki and eventually bought his first 'wing; a new 1997 1500 – Ed had arrived! I was with Ed at the Tradex motorcycle show when he fell in love with a new Honda VTX 1800 which was to be his solo riding toy – he kept the 1500 for when Kathy wanted to join him! Finally, in 2007, he treated Kathy and himself to a beautiful new burnt-orange GL1800. They travelled many miles together: in 2002 they rode to Newfoundland and back! They did three Wing Dings (Grapevine, Nashville and Billings) as well as going to Alaska – they loved to ride! Ed was very proud of the custom trailer that he built himself to pull along behind their 'wing. It was a sad day when Ed admitted that he no longer had the strength to handle the GL1800. Ed had developed cancer.

Ed was a passionate man: he and I had many long discussions about motorcycles, sports cars (he loved his Mazda RX7 with its rotary engine), and photography. Ed taught himself the ins and outs of digital photography and bought all the latest and best equipment. He did the full-colour front page spread for our 25<sup>th</sup> anniversary newsletter (I will bring a copy to our next meeting).

It has been a privilege for Pat and I to know and socialize with Ed and Kathy. Kathy has promised to stick around and join us from time to time. She is so touched by the warmth and help that she has received from the members. Now you know Ed Drozdik.....

## Strange and Magnificent Motorcycles

**Concept Beasts** Finally, here's a selection of concept motorcycles, light of day at some point in the future. Here's the *Akira* concept bike:

**The Wrath** concept (below right) by Alexander Barnard is dubbed a 'future modern retro chopper' for the year 2083

Above image, bottom row: the *Suzuki Biplane* and the *Victory Vision 800* concept bike produced by Victory, a division of Polaris ATV's.

William Woods designed the **Fallout** concept motorcycle in 2009 (below left).

Imagine seeing this coming up behind you in your rear view mirror (below left)? On the right is the rounded green beauty, also seen at the Sturgis Motorcycle Rally:
