From the Chapter Directors...

Hello friends.

Well the sun sure feels great while riding these days!

Some of you are just getting your bikes back on the road, and some are already well into your biking season. To those that may be interested in doing some maintenance mechanical on your bikes; please consider taking a ride over to Chucks shop in North Vancouver on April 6th. Chuck has offered the use of Taylor Automotive shop to help you perform some of your bike maintenance stuff. Hopefully there will be a good turn out and you all can have fun doing it. We are looking for some advance notice if you are planning on going so send me an E mail if you're interested. Our Road Captain/Co-Rider course is set for Saturday April 20th just before our Chapter breakfast meeting on Sunday. Then we will have a short work shop after our breakfast meeting with a local ride to finish the workshop off. I don't know about you all, but any course involving the bike has to be fun!! So come out and kick off some more sunny weather with us!!

Further into the first week of May you will find an ARC course, Trailer course, and a Trike course laid out in one weekend. This will be the best time for you to go over some skills, and practice some new ones maybe! You are more prepared when you take the time to prepare. It sure feels good to be turning the wheels again, and so lucky to be here on the coast enjoying our local Vancouver weather. See you at breakfast!!

Ride Well.
Rob & Ellis.
